One of the challenges facing smaller enterprises is the labor-intensive process of managing Windows operating system updates. While updates generally don't. when trying to install Office 2007. Office1r.cab is a special delivery of Office 2007. Can't install Office 2007 because of missing office.en-us\office1r.cab file on Windows 8.1. I tried to use search options to find this file on Windows 10. A: This is a problem related to Windows 7 because of the fact that you need to download the support pack with the Office 2007 installer (not the actual Office 2007 installer), which didn't make sense until the Windows 8 update. You have two options: Download the support pack for Windows 7 (downloads here, but be very careful as the file names are very similar in size). After installing the support pack, you can get the Office 2007 installer. Download the.iso for Windows 7, install it on the same computer you want to install Office, and then you can boot it up, which will load the support pack, which then allows you to start the Office 2007 installer. Or you can use a virtual machine. This is by far my preferred method to do it. You are here Mayan man confirmed to have Michigan's oldest person A Mayan man has been confirmed to have Michigan's oldest person, according to a report from CNN. Dr. Paul Doucette will be 88 years old on Aug. 6, and has the unique distinction of being the oldest American according to the Gerontology Research Group. Dr. Doucette grew up in Michigan, and attended Western Michigan University before taking his degree in psychiatry at Michigan State University, according to CNN. ADVERTISEMENT Since the age of 43, Dr. Doucette has been working at the Brighton Community Mental Health Center. He has been there since 2003, serving at a variety of positions, including the director of the Chester House. Dr. Doucette didn't respond to CNN's request for comment. State Senator Roger Reinbold says Dr. Doucette is still a very friendly person and has an endearing personality. He says people who know him have said he is a "beloved and respected elder" and "a joy to be around." Reinbold says Dr. Doucette is also a good father and grandfather.
